### **Secret Ballot Election and Voting Rules (Adopted on December 30<sup>th</sup> 2019)**

#### **Introduction**

California *Civil Code* section 5100 requires that certain types of Member votes be held by a secret ballot procedure, including elections relating to the following topics: (1) regular assessment increases legally requiring a vote and the levy of special assessments legally requiring a vote; (2) the election and removal of Directors; (3) amendments to the Governing Documents; and (4) the grant of exclusive use of a portion of the common area of the Development to a Member. Additionally, California *Civil Code* section 5105 requires that the Association adopt operating rules that include specific provisions relating to that secret ballot voting procedure. These Election Rules were drafted to reflect and comply with those statutory requirements.

#### **Equal Access to Association Media**

If any Candidate or Member advocating a point of view is provided access to Association media, newsletters, or internet websites during a campaign, for purposes that are reasonably related to that election, equal access shall be provided to all Candidates and Members advocating a point of view (including those not endorsed by the Board) for purposes that are reasonably related to that election. The Association shall not edit or redact any content from these communications, but may include a statement specifying that the Candidate or Member – and not the Association – is responsible for that content. The foregoing requirements shall not be interpreted as obligating the Association to automatically provide Candidates or Members with access to Association media, newsletters, or internet websites during a campaign, and whether to do so will be decided by the Board in its sole discretion with respect to each individual election.

#### **Equal Access to Common Area Meeting Space**

The Association shall ensure access to common area meeting space, if any exists, during a campaign, at no cost, to all Candidates (including those who are not incumbents) and to all Members advocating a point of view (including those not endorsed by the Board) for purposes reasonably related to that election. The foregoing requirement shall not be interpreted as obligating the Association to provide access to any common area meeting space at times when the space is normally and customarily utilized for other Association or community purposes. The use of any common area meeting space relating to an election shall be subject to provisions of the Governing Documents regarding the use of such space; provided, however, a Candidate or Member shall not be required to pay a fee, make a deposit, obtain liability insurance, or pay the premium or deductible on the Association's insurance policy in order to use the common area meeting space.

#### **Qualifications for Candidates for the Board**

*Candidate Qualifications.* The Association shall hold an election for a seat on the Board at the expiration of the corresponding Director's term. The following qualifications apply for a person to be nominated as a Candidate for the Board:

**SUGARLOAF HOMEOWNERS ASSOCIATION, INC.**

**Secret Ballot Election and Voting Rules  
(Adopted on December 30<sup>th</sup> 2019)**

1. The person must be a Member at the time of nomination. If title to a lot is held by a legal entity that is not a natural person, the governing authority of that legal entity shall have the power to appoint a natural person to be a Member for purposes of the foregoing; documentation evidencing such appointment shall be noticed to the Association in writing by the Member entity at the time of nomination.
2. The person must be current in the payment of regular and special assessments; this requirement shall also apply to each Director during his or her Board tenure.
3. The Candidate, if elected, would not be serving on the Board at the same time as another person who holds a joint ownership interest in the same lot as the Candidate and the other person is either properly nominated for the then current election or is an incumbent Director.
4. The person must not have a past criminal conviction that would, if the person is elected, either prevent the Association from purchasing the fidelity bond coverage required by California *Civil Code* section 5806 or terminate the Association's then existing fidelity bond coverage.

*Conditions to Candidate Disqualification.* The Association shall disqualify a person from nomination as a Candidate if he or she does not meet the foregoing qualifications, subject to the following conditions:

- While the Association may disqualify a person from nomination to the Board for nonpayment of regular and special assessments, the Association may not disqualify a nominee for nonpayment of fines, fines renamed as assessments, collection charges, late charges, or costs levied by a third party. Further, a person shall not be disqualified from nomination to the Board for failure to be current in the payment of regular and special assessments if either of the following circumstances is true: (i) the person has paid the regular or special assessment under protest pursuant to California *Civil Code* section 5658; or (ii) the person has entered into a payment plan with the Association for the regular or special assessment pursuant to California *Civil Code* section 5665.
- The Association shall not disqualify a person from nomination to the Board if the person has not first been provided the opportunity to engage in internal dispute resolution with the Association pursuant to California *Civil Code* section 5900 et seq.

The Association shall provide the Members general notice of the procedure and deadline for submitting a nomination at least 30 days before any deadline for submitting a nomination; individual notice of that procedure and deadline shall be delivered to a Member if individual notice is requested by the Member. The deadline for nominations based on the Association's nomination solicitation shall be no later than 45 days before the date of the annual meeting; nominations from the floor shall also be permitted at each annual meeting as noted below.

*Nominations from the Floor.* Nominations from the floor shall be permitted at each annual meeting, as provided in Sections 4.2 and 6.1 of the Bylaws. A Candidate nominated from the floor must satisfy the qualifications for Candidates in effect at the time the Member's candidacy is proposed in order to serve on the Board.

*Write-In Candidates Prohibited.* Write-in Candidates are not permitted in any Director election.

**SUGARLOAF HOMEOWNERS ASSOCIATION, INC.**

**Secret Ballot Election and Voting Rules  
(Adopted on December 30<sup>th</sup> 2019)**

*Use of Proxies.* The use of proxies is permitted under Section 4.8 of the Bylaws. Proxies shall not be construed or used in lieu of a Ballot. Members may use proxies if those proxies meet the requirements of applicable law and the Governing Documents, but the Association shall not be required to prepare or distribute proxies.

*Casting of Votes by Proxy.* In any election, any form of proxy which is designated for quorum purposes only, or which is marked by a Member as “withhold” or otherwise marked in a manner indicating that the authority to vote for the election is withheld, shall not be voted either for or against the election of a Director or a ballot measure, but shall be counted for quorum purposes. Any instruction given in a proxy issued for an election that directs the manner in which the proxyholder is to cast the vote(s) shall be set forth on a separate page of the proxy that can be detached and given to the proxyholder to retain. The proxyholder shall cast the Member’s vote by secret Ballot. The proxy may be revoked by the Member prior to the receipt of the Ballot by the Inspector of Elections, as described in California *Corporations Code* section 7613.

**Voting Period for Elections**

*Minimum Voting Period.* Ballots shall be distributed to all Members not less than 35 days prior to the deadline for voting.

*Extension of Voting Period.* If, at the close of any balloting period, the Inspector(s) of Elections determines that the number of Ballots received does not constitute a necessary quorum of the Members for the vote to proceed, the Inspector(s) of Elections shall cause a notice to be mailed to all Members informing them that Ballots have not been received sufficient to constitute the necessary quorum and that the voting period has been extended for an additional 15 days.

*Ballot Due Date.* If a due date for Ballots falls on a Saturday, Sunday, or national holiday, the due date shall be extended to the next business day. All Ballots must be received by 5:00 p.m. on the day last designated as the date for the closing of the voting period or any extended voting period.

*Polls Information.* The times at which polls will open and close will be noted on the Ballots and/or on materials enclosed with the Ballots.

*Performance of Duties.* An Inspector of Elections shall perform all of his or her duties impartially, in good faith, to the best of his or her ability, as expeditiously as is practical, and in a manner that protects the interest of all Members. If there are three Inspectors of Elections, the decision or act of a majority of the Inspectors of Elections shall be effective in all respects as the decision or act of all. Any report made by Inspector(s) of Elections is *prima facie* evidence of the facts stated in the report; in other words, the determinations made by the Inspector(s) of Elections are accepted as correct until proved otherwise.

*Assistants.* The Inspector(s) of Elections may appoint and oversee additional persons to verify signatures and to count and tabulate votes as he or she (or they) deem appropriate, provided that such additional persons are independent third parties.

#### **Candidate Registration List and Voter List**

The Association shall require retention of, as Association election materials, both a Candidate registration list and a voter list. The voter list shall include name, voting power, and either the physical address of the voter's /lot, the parcel number, or both. The mailing address for the Ballot shall be listed on the voter list if it differs from the physical address of the voter's lot or if only the parcel number is used. 1. Ballots and two pre-addressed envelopes with instructions on how to return Ballots shall be mailed by first-class mail or delivered by the Association to every Member not less than 30 days before the deadline for voting.
2. In order to preserve confidentiality, a voter may not be identified by name, address, or lot, parcel, or unit number on the Ballot.
3. The Association will use as a model those procedures used by California counties for ensuring confidentiality of vote by mail ballots, including all of the following:
  - a. The Ballot itself is not signed by the voter, but is inserted into an envelope (the "**Ballot Envelope**") that is sealed. The Ballot Envelope is inserted into a second envelope (the "**Outer Envelope**") that is sealed. In the upper left-hand corner of the Outer Envelope, the voter shall sign his or her name, write his or her name, and write the address or lot identifier within the Development that entitles the voter to vote; the Association may, in its sole discretion, provide an Outer Envelope to a Member that includes the voter's name and address, or name and lot identifier, typewritten or otherwise placed on the Outer Envelope, requiring the Member to only sign the Outer Envelope in the correct area.
  - b. The Outer Envelope will be addressed to the Inspector(s) of Elections, who will be tallying the votes. The Outer Envelope (containing the Ballot and the Ballot Envelope) may be mailed or delivered by hand to the location specified by the Inspector(s) of Elections for the return of Ballots, and a Member may request a receipt for delivery of his or her Ballot.

*Quorum.* A quorum shall be required only if so stated in the Governing Documents or other provisions of law. If a quorum is required by the Governing Documents, each Ballot received by the Inspector(s) of Elections shall be treated as a Member present at a meeting for purposes of establishing a quorum.

*Cumulative Voting.* The Association shall allow for cumulative voting in the election of two or more Directors as provided in Section 6.3 of the Bylaws.

*Conduct of Election by Mail.* Except for the meeting to count the votes, an election may be conducted entirely by mail unless otherwise specified in the Governing Documents.
