

PRESIDENT'S CORNER

Happy Spring and Daylight Savings Time to everyone!! Hope you are all enjoying the extra sunshine.

Traffic Safety – I'm going to mention this topic again this month since your Board and Traffic Committee are working to regain traction on the Traffic Action Plan (TAP) that calls for traffic calming (speed reduction) on De Anza Blvd. Some of your neighbors voiced our concerns at a recent Public Works meeting about the lack of progress. We have invited a Public Works representative to our March Board meeting to discuss our concerns. See *Public Safety* section of this newsletter for more information, and our website for a link to the TAP report. If you are concerned about traffic safety on De Anza Blvd, please join with us to put pressure on the Public Works Department to take action on the TAP!

What's on the Board's Mind?

Important HOA Business This Month:

Board Election – The election ballots will be counted by the Election Officials at the next Board Meeting. Thanks to our updated Bylaws, the previous restrictive quorum requirements have been removed for standard Board of Director elections and the annual tax resolution. The Board will no longer have to go door-to-door to secure enough votes to complete the election process! Thanks to our members for supporting these key updates to the Bylaws.

Amended CC&Rs & Bylaws – The amended CC&Rs & Bylaws are now active. The updated Election Rules will come to you soon for review (no voting).

Thanks for supporting our HOA!

Bob Kiss, HOA President (president@sugarloafhoa.org)

COMMITTEE REPORTS

Architecture:

Updated Home Paint Color Schemes! – As you may know, Kelly Moore abruptly closed their operation in January. Our approved color schemes were provided by Kelly Moore. The Architecture Committee arranged for a translation of our existing color schemes to Benjamin Moore (no relation) paint formulas. There are four Benjamin Moore stores in our area. The updated information will be provided very soon on our website.

Exterior Changes Reminder - Per our CC&Rs Section 6, exterior changes require HOA approval (includes, but not limited to, painting, roofing, fences, windows, balconies, solar panels, driveways & walkways, decks, other structural changes). Landscaping (plants) does not typically require approval, and modifications exclusively on the inside of your home do not typically require approval. There is often a neighbor notification

requirement that triggers a need for HOA documentation. If in doubt on approval requirements, please ask – you can email or call the committee chair.

Landscape:

The following service items were completed recently by the HOA landscaping contractor:

- Inspected De Anza storm drains for debris / removal
- Litter removal along sidewalks
- Removed downed tree branches due to storm on upper Parkwood along 92
- Repaired common area irrigation leak near 1900 Parkwood
- Determined De Anza water leaks were Cal Water work

Large Tree Maintenance – Please note that the HOA maintains an ongoing tree maintenance program based on an arborist's survey of our catalogued large trees. A portion of the trees are serviced each year on a rotating basis, including a number of recommended tree removals which were completed in early November.

Property Maps – San Mateo County property line maps can be found on the web site under Residents/Landscape. Password is the same as for our Governing Documents.

Irrigation System Status – Irrigation system is now OFF for the rainy season. Contact PML if you observe any issues. Please don't touch the equipment unless it is an emergency.

Trim-for-View – Please do not trim/cut trees in common areas without prior approval. If you want to trim in the common areas for views at your expense, here is the procedure:

1. Take a picture of the trees to be trimmed.
2. Get an estimate from a qualified tree company (must have a certified arborist on staff)
3. Submit all the above to Joe at PML.
4. The Landscape Committee will review / approve if appropriate
5. The Homeowner pays for trim-for-view work.

Public Safety:

Traffic Safety – Thanks to the 7 homeowners who attended the city's *Complete Streets* workshop on March 7 for District 5. We were able to convey our dissatisfaction with the lack of progress on the existing Sugarloaf Traffic Action Plan, specifically the *Traffic Calming* project for De Anza Blvd.

"See Something / Say Something" - Please keep an eye out for behaviors that don't make sense; call the police as necessary. Better safe than sorry. Use 650-522-7700 for non-emergencies.

Emergency Info – Sign up for **San Mateo County's alert system** at www.smalert.info for email, text, or phone alerts.

PLEASE FOLLOW CC&Rs AND CITY CODES

Trash/Recycling (subject to fines) -- Per CC&Rs Section 5.08 and SM City Code, bins need to be kept out of sight, except on pickup

day or the day prior. SMMC 7.16.040 states that bins may not be placed out before 12pm the day prior to collection and must be removed by midnight on collection day. Bins may not be stored in sight from a street, neighboring lot, or common area.

Dog Controls (subject to fines) – Please pick up after your dogs. Leaving a bag of dog poop for someone else to clean up is not helpful. And please note that San Mateo law and HOA CC&Rs require dogs be on a leash at all times in our neighborhoods, in addition to keeping barking under control and not a nuisance.

Visitor Parking (subject to fines) – Since there is no room for street parking on the private streets, there are specific areas for visitor parking, whether it is a visitor from out of town or visitors providing service (landscape, handy work, cleaning, etc.). These spaces must be kept available for visitors, per CC&Rs Sec 5.04(a), **subject to fine.**

Tennis Courts Access – The tennis courts are under the control of Denali HOA. Please contact PML if you need a key (\$50) to enter. **Access is for Sugarloaf or Denali residents only. Guests must be accompanied by residents at all times. No exceptions.**

OUR GOVERNING DOCUMENTS

As a reminder, the Association Bylaws, CC&Rs, and other HOA docs are posted on our website for your convenience, but you will need a password to open them (password in your newsletter copy).

Electronic Documentation – If you'd prefer to receive your HOA documentation in electronic form, please contact PML to provide your approval to do so. It saves the HOA \$ and gives you better archiving capability for HOA docs. Win-win. Please consider.
